

# Northern California Quarterly Roundtable

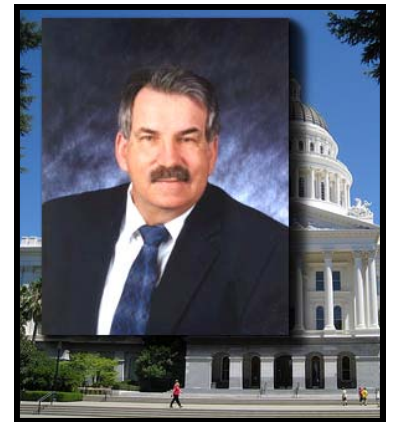

**Tuesday, December 15, 2009**  
**Oakland, CA ~ 10:00am - 1:00pm**

The **2009 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Tuesday, December 15**, to strategize and discuss the current state and local regulatory issues impacting your metalworking company.

Attendees will **receive a briefing** on the laws passed in 2009, regulations pending, and an insider's look at 2010.

The CMC roundtables also bring California's top decision makers to you. On December 15, state **Assemblymember Dan Logue (R-Chico)** will join us and **hear our issues** during the last hour. The 3rd district includes Chico, Colfax, Grass Valley, Nevada City, Susanville and Truckee.

Dan is a small business owner and staunch opponent of high taxation and government waste. He was first elected to the Yuba County Board of Supervisors in 2002 and to the state Assembly in 2006. Logue has worked to bring new business and manufacturers to the north state with a focus on growing the economy and increasing jobs.

Join us for this important session as we close out 2009 and look forward to 2010. *We'll see you on December 15!*
