

CMC Nor Cal REGIONAL ROUNDTABLE

Thursday, December 4, 2008
Union City, CA ~ 10:00am - 1:00pm

The **2008 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Thursday, December 4 in Union City**, to strategize and discuss state and local political issues. Join us to hear **which new laws were signed that will impact your company**, as well as how the **November election** will impact businesses in 2009.

The CMC roundtables also bring California's elected officials to you. On December 4, **California state Senator Ellen Corbett (D-10)** will join us and **hear our issues** during the last hour of the session. Corbett's 10th Senate district encompasses Alameda and Santa Clara counties, including Union City, Hayward, Fremont, and San Leandro.

Senator Corbett spoke to our group during her tenure in the state Assembly—1998-2004. She has served as a city councilmember, Mayor of San Leandro, and graduated from UC Davis and McGeorge Law School. Ellen was elected to the state Senate in 2006, where she can serve up to 8 years. 2008 legislation she's authored includes a bill to reduce unwarranted lawsuits against businesses regarding disability access, and a bill to allow the DTSC to randomly sample drinking water plumbing products for lead content. **CMC supporters will exchange information with a real decision maker.** *We'll see you on December 4!*
