**Downey, CA ~ 8:00am - 11:00am**

The **2007 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Friday, July 20**, to discuss the current issues impacting your metalworking company. July 20th begins "summer recess" for the Legislature and we will have updates on **California's new Greenhouse Gas Emissions law, Pattern/Tooling Tax, Storm Water Enforcement**, and much more. The roundtable is also your forum to discuss political advocacy issues impacting your metalworking company.

The CMC roundtables bring California's elected officials to you. There are only 40 state Senators casting votes in Sacramento. On July 20, state **Senator Alan Lowenthal (D-27)** will meet our group and hear our issues during the last hour of the session. District 27 encompasses Paramount, Bellflower, Downey, Lakewood, Lynwood, and parts of Long Beach and South Gate.

Senator Lowenthal spent 6 years in the state Assembly, and is the leading Democrat voice on redistricting reform. He also sits on the Senate Environmental Quality, and Transportation committees. **CMC supporters will exchange information with a real Sacramento decision maker. We'll see you on July 20 in Downey!**
