Wednesday, July 22, 2009

Ontario, CA @ Walker Corp. ~ 9:00am - 12:00pm

The **2009 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and your industry colleagues are gathering on **Wednesday, July 22**, to strategize and discuss the current state and local regulatory issues impacting your metalworking company.

The CMC roundtables also bring California's top decision makers to you. On July 22, **Assemblymember Norma Torres (D-61)** will join us and **hear your issues** during the last hour of the session. Her district includes Ontario, Pomona, Montclair, and Chino. Assemblymember Torres is the former Mayor of Pomona, a member of the state Latino Caucus, and holds the seat vacated by the late Nell Soto. **CMC supporters will exchange information with a real decision maker.**

State Assemblymember Norma Torres (D) with US President Obama (D)

CMC's July 22 roundtable will be **hosted by CMC member Walker Corp. of Ontario**. Walker employs nearly 200 people in its 108,000 square foot California facility. The company produces tooling, metal stampings, assemblies, constant force springs, and prototypes. Attendees will be invited to **tour this metalworking facility** after the roundtable.
