

# Northern California Quarterly Roundtable

**Wednesday, March 14, 2012**  
**Location: US Pipe @ Union City, CA**  
**9:00am - 12:00pm**

The **2012 CMC Quarterly Regional Roundtables** are concise, informative sessions for the busy metalworking company. CMC leaders are gathering **Wednesday, March 14**, to strategize and discuss the current state, regional and local regulatory issues impacting metalworking companies.

## TOPICS:

- **WORKERS' COMP MARKET:** Workers' compensation is an ongoing issue for the metals industry. Get an update on the regulatory, legislative and market factors impacting rates.
- **2012 PRIMARY ELECTION:** June 5, 2012 is the California primary. With newly drawn legislative districts, open primaries, and numerous ballot initiatives, the 2012 election will have a direct impact on our industry.
- **NEW 2012 LEGISLATION:** From Cal-OSHA, to storm water, to workers' comp, California's legislature introduced nearly 2,000 proposed bills in 2012. Hear which issues CMC and the metals industry are taking action upon—and why.
- **BAAQMD PROPOSED RULE:** The Bay Area Air Quality Management District has proposed a new rule specific to metalworking operations. Receive a detailed update on changes leading up to a 2nd draft.
- **STORM WATER:** 2012 will include a new draft storm water permit for all metalworking facilities. Receive the latest update on this important issue.

BAAQMD Chief Executive Officer  
Jack Broadbent

## SPECIAL GUEST:

Joining CMC for a portion of the meeting is **Jack Broadbent**, Chief Executive Officer/Air Pollution Control Officer, for the Bay Area Air Quality Management District (BAAQMD). Mr. Broadbent joined the BAAQMD after serving more than 2 1/2 years as the Director of the Air Division at the U.S. EPA, Region IX. Before serving at the EPA, Mr. Broadbent worked for the South Coast Air Quality Management District as a Deputy Executive Officer, Director of Planning and other senior management positions.
