CMC's lobbyists and industry colleagues are gathering **Tuesday, March 30**, to strategize and discuss the current state and local regulatory issues impacting your metalworking company.

The CMC roundtables also bring California's top decision makers to you. Two guests will be joining us on March 30. Our first guest will be **Downey Mayor Luis Marquez**. Marquez will be discussing the potential siting of Tesla Motors in Downey and politics at the city level. Marquez is also the Democrat **candidate for Assembly District 50**, which includes Bell, Lynwood, Downey, South Gate and Huntington Park.

Attendees will also hear from former **Los Angeles City Attorney Rocky Delgadillo**. A native of East Los Angeles, Delgadillo became the highest-ranking Latino to win citywide office in more than 100 years when he was elected Los Angeles City Attorney on June 5, 2001. In 2010, Delgadillo is running as a Democrat candidate for State Attorney General. Come hear about the inner-workings of California's most influential city.
