## CMC So Cal REGIONAL ROUNDTABLE

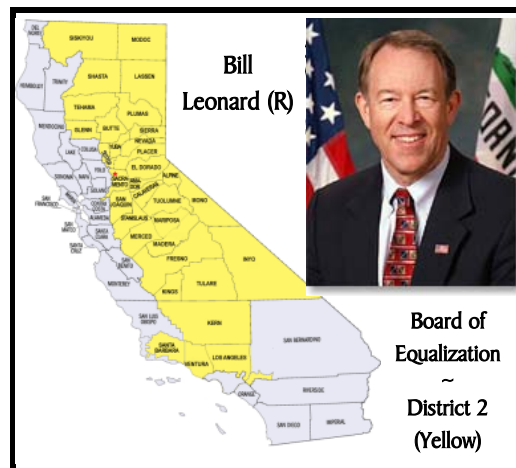

**Tuesday, March 11, 2008**  
**Downey, CA ~ 9:00am - 12:00pm**

The 2008 CMC Quarterly Regional Roundtables are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Tuesday, March 11**, to strategize and discuss the current state and local issues impacting your metalworking company.

The CMC roundtables also bring California's elected officials to you. On March 11th, **Board of Equalization member Bill Leonard** will join us and **hear our issues** during the last hour of the session.

BOE member Leonard spent **24 years in the state Legislature**, first elected in 1978 as a Prop 13 advocate. In the Assembly, he was the Republican Leader. Leonard's 2nd Board of Equalization District represents **32 counties**—stretching from Modoc County to Los Angeles County. The BOE are elected officials responsible for issues such as property taxes, sales and use taxes, and tax appeals. They oversee the cities and counties. They also have the power to interpret, administer, and collect state revenues. **There are only 5 voting members on the Board of Equalization. CMC supporters will exchange information with a real decision maker.** *We'll see you on March 11!*
