10am Start

The **2008 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Tuesday, March 18**, to strategize and discuss the current state and local issues impacting your metalworking company.

The CMC roundtables also bring California's elected officials to you. On March 18th, **state Assemblymember Loni Hancock (D-14)** will join us and **hear our issues** during the last hour of the session.

Loni Hancock is a 3-term state Assemblymember, 2-term Mayor of Berkeley, served under the Carter and Clinton Administration, and is running for state Senate in November. In 2007, she authored legislation to expand career technical education in California's high schools. Her district includes Berkeley, Richmond, Emeryville, San Pablo, El Cerrito, and parts of Oakland. **There are only 80 voting members of the California Assembly. CMC supporters will exchange information with a real decision maker.** *We'll see you on March 18!*

State Assemblymember Loni Hancock (D) visits the Port of Oakland to learn about commercial real estate and maritime projects.
