

Northern California Quarterly Roundtable

Wednesday, March 18, 2009
Oakland, CA ~ 10:00am - 1:00pm

The **2009 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Wednesday, March 18**, to strategize and discuss the current state and local regulatory issues impacting your metalworking company.

The CMC roundtables also bring California's top decision makers to you. On March 18, Governor Schwarzenegger's **Small Business Advocate Marty Keller** will join us and **hear our issues** during the last hour of the session.

California's 3.6 million small businesses produce over \$1 trillion in goods and services. Keller was appointed to the Small Business Advocate position in 2007. He has served in the administration of Governor Pete Wilson, and on the California Small Business Association Board of Directors. **CMC supporters will exchange information with a real decision maker.**
