

CMC So Cal REGIONAL ROUNDTABLE

Tuesday, September 23, 2008
Downey, CA ~ 9:00am - 12:00pm

The **2008 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Tuesday September 23**, to discuss the current issues impacting your metalworking company.

September 30 marks the end of the 2008 Legislative Session. Join us and **receive a briefing on the new laws, vetoed bills and initiatives** that will impact your company. We will also be discussing the November election races, and what races will impact the metalworking industry. The roundtable is also your forum to discuss political advocacy issues impacting your metalworking company.

Assemblyman Adams (R)

The CMC roundtables bring California's elected officials to you. There are only 80 state Assemblymembers casting votes in Sacramento. On September 23, state **Assemblyman Anthony Adams (R-59)** will meet our group and discuss our issues during the last hour of the session. District 59 includes the cities of Claremont, LaVerne, Glendora and San Dimas.

Adams was elected in 2006, but is already a member of the Republican Leadership team where he serves as the Republican Whip. Adams represents the future core of Republican leaders in California. **CMC supporters will exchange information with a real Sacramento decision maker. We'll see you on September 23!**
