Tuesday, September 25, 2007
Downey, CA~ 8:00am - 11:00am

The **2007 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Tuesday, September 25**, to discuss the current issues impacting your metalworking company. September 14 is the final day for the Legislature to pass all bills. We will report on the bills sitting on the Governor's desk and **action needed by our group**. We will also discuss the **ARB Proposal for Mandatory Greenhouse Gas Emissions Reporting, 2008 Workers' Compensation Ballot Initiatives Update**, and much more. The roundtable is also your forum to discuss issues impacting your company.

Jim Silva being sworn in as a new member of the California State Legislature (Dec 2006)

The CMC roundtables bring California's elected officials to you. There are **only 80 state Assemblymembers** casting votes in Sacramento. On September 25, state **Assemblyman Jim Silva (R-67)** will join our group and **hear our issues** during the last hour of the session. District 67 encompasses Huntington Beach, Seal Beach, Cypress, La Palma, Los Alamitos, and portions of Westminster and Anaheim.

Assemblyman Silva is a freshman legislator, but is already vice chair of the Jobs, Economic Development, and Economy Committee. His local experience includes Mayor of Huntington Beach and 3-terms on the Orange County Board of Supervisors. **CMC supporters will exchange information with a real Sacramento decision maker. We'll see you on September 25!**
