

Southern California Quarterly Roundtable

Tuesday, September 29, 2009
Downey, CA ~ 9:00am - 12:00pm

The **2009 CMC Quarterly Regional Roundtables** are up-to-date legislative and regulatory briefings for your metalworking company.

CMC's lobbyists and industry colleagues are gathering on **Tuesday, September 29**, to strategize and discuss the current state and local regulatory issues impacting your metalworking company.

The CMC roundtables also bring California's top decision makers to you. On September 29, state **Assemblymember Isadore Hall III (D-Compton)** will join us and **hear our issues** during the last hour of the session. The 52nd district includes Compton, Watts, Rancho Dominguez, Paramount, and central Los Angeles County.

Assemblymember Hall is currently the Assistant Speaker pro Tempore of the Assembly, ranking just behind the Speaker. His public service includes Compton City Council (2003) where he established the city's quarterly "Business-2-Business" breakfasts, the Metropolitan Water District Board, and the Southern California Association of Governments. Join us and exchange information with a true decision maker in Sacramento.

Government's role in our economy and business is only expected to grow in 2009. Join us for this important session. *We'll see you on September 29!*
