Roundtable Sponsor: Russ Gunn of [Russ Gunn Insurance Agency](#)

About CMC Roundtables: The [California Metals Coalition \(CMC\)](#) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. We meet regionally every quarter in a roundtable setting to exchange information on the most important issues currently impacting California's metals industry. The roundtable sessions are concise, direct and valuable to all attendees.

ICE Raids, Immigration, and California AB 450 Employer Requirements:

Is your company prepared for an ICE raid? Do you know your obligations, and potential fines, under AB 450? Do you know how to convey a visit from Homeland Security to your employees? Joining us for the final hour of the Roundtable is [David Fullmer](#), an attorney working exclusively in the area of immigration law. He served as Chair, Immigration Section, of the Los Angeles County Bar Association. Join us on September 26th to fully prepare for an unannounced ICE raid.

September 26th Roundtable General Topics Include:

- SCAQMD Rulemaking: 1147.2 (NOx); and 1480 (air monitoring) for all metal facilities.
