South Coast AQMD staff recognizes the challenges business and other stakeholders are experiencing with COVID-19 and seeks to be consistent with Governor Newsom's Executive Order N-29-20 (March 18, 2020).

To ensure we are practicing safe social distancing, working group meetings will only be conducted via video conferencing (Zoom), which can be accessed via your computer or smart phone. Alternatively, stakeholders can phone in to participate. We understand that this is not the same as a face-to-face working group meeting; however, staff will take the time to listen to comments from all stakeholders, as your comments are important. We appreciate your understanding during these uncertain times and look forward to your participation. If you have general questions or concerns about these meetings or their format, please contact Heather Farr at HFarr@aqmd.gov or (909) 396-3672.

We hope you are staying safe and healthy.
