Proposed Rule 1480 - Toxic Metals Monitoring

Working Group Meeting #1

Wednesday, May 2, 2018

SCAQMD Headquarters

[21865 Copley Drive](#)

Diamond Bar, CA 91765

Conference Room GB

10:00 AM

South Coast Air Quality Management District (SCQMD) staff invites you to attend the first Working Group Meeting for Proposed Rule (PR) 1480 - Toxic Metals Monitoring. The purpose of the meeting is to provide background information regarding PR 1480. The Working Group Meeting provides stakeholders an opportunity to work with SCAQMD staff on provisions for the proposed rule and to discuss key issues or concerns early in the rule development process.

Teleconferencing will be available for this meeting. Please use the following call-in information to participate via telephone:

Telephone number: (888) 757-2790

Passcode: 646184

*** note: please refrain from putting the line on hold during the meeting ***

For more information, please contact:

Melissa Sheffer

Air Quality Specialist
