NORTHERN CALIFORNIA

CMC Quarterly Regional Roundtable Meeting

Thursday, October 15, 2026 | 10:00am-1:00pm

@ General Foundry Service, San Leandro, CA

(Lunch Included)

Roundtable Sponsor: Champion Risk & Insurance Services

About CMC Roundtables: Established in 1972, the California Metals Coalition (CMC) is the nation's largest statewide trade association serving the metals industry. CMC has hundreds of members representing nearly all sectors of California's metal manufacturing. CMC meets regionally every quarter to exchange information on the most important issues currently impacting California's metal businesses.

October 15th Roundtable Topics Include:

- CMMC Phase II Status Following July 2026 Suspension (Phase II cybersecurity)
- Status of CARB Zero Emission Forklift Regulation/Phase Out
- Enforcement of Cal-OSHA Indoor Heat Regulation
- Impact of PAGA Reform Legislation for Labor Laws and Benefits of Arbitration Agreements
- Proposed New Rules for Forging, Heat Treating, Laser and Plasma Cutting, and Welding
- Proposed fence line testing law for metal facilities—who is impacted and who is next
- Review of California 2026 Legislative Session—ends September 30th
- Forecast of November 3rd Election and Ballot Initiatives
- ***Tour General Foundry***: A tour will be offered at the end of the meeting.

Lunch Speaker: Christian Richter Washington DC Lobbyist and Regulatory Expert

Christian Richter of The Policy Group is one of the nation's leading experts on regulatory issues impacting the metals industry. For over 30 years he has represented metals sector trade associations in Washington DC, including the National Association of Surface Finishing (NASF). Mr. Richter will be covering important issues such as PFAS, nickel, the federal mid-term elections in November, federal Department of War activities, and much more. Sign up today and we will see you on **October 15**!
