2023 ushered in many new laws and requirements. Prepare for 2024 with CMC’s metals industry roundtable. The webinar is free, but pre-registration is required to receive the December 12th Zoom link.

## TOPICS INCLUDE:

- **LABOR LAWS:** New employee marijuana testing rights (AB 2188 & SB 700), expanded paid sick leave (SB 616), reproductive loss leave (SB 848), state prosecution for Labor Code violations (AB 594), and more.
- **ENVIRONMENTAL LAWS:** Storm water requirements and fines, anticipated CARB zero emission forklift law, proposed air district regulations for forging, heat treating, welding, laser and plasma cutting, and torch cutting, and more.
- **TAX CREDITS & EXEMPTIONS:** California benefits for manufacturers.
- **CAL-OSHA:** Anticipated new statewide indoor heat rule.
- **REVIEW OF CMC’s BENEFIT PROGRAMS:** Discount Freight for You and/or Customer, 401(k) Multiple Employer Plan, Health Care Trust, Storm Water Group, GotSafety Cal-OSHA Program, and more.

Join CMC on December 12th to learn and ask questions about California’s 2024 requirements—**register today!** Please note, this webinar will not be recorded so attendees can speak openly about the topics.

**About CMC:** The California Metals Coalition (CMC) is a statewide trade association with members representing nearly all sectors of California’s metalworking industry. CMC provides an interactive setting to exchange information on the most important issues currently impacting California’s metals industry. CMC meetings are concise, direct and valuable to all attendees. Learn more about CMC at: [www.metalscoalition.com](http://www.metalscoalition.com).
