

It is with deep sadness and eternal hope that I inform you of the passing of Kenneth Cox, who passed away peacefully surrounded by his family on February 8th.

Ken was not only a passionate leader but also a deeply valued friend to countless people. Ken dedicated fifty-six years of his life to Custom Alloy. He served as Truck Driver, Salesman, Vice President, President, Majority Owner, Chairman, and CMO during his career. His dedication to Custom Alloy and to all its stakeholders was extraordinary.

While this news may be a shock to some, it is not to the Custom Alloy Leadership team. Ken's decades long battle against cancer allowed for extensive succession planning in all departments. Please be assured that Custom Alloy remains prepared and committed to serving you with the same level of quality service moving forward.

We will share details regarding the memorial service once they are finalized. We appreciate your support and understanding during this difficult time.

Psalm 91:1-4 (Ken's favorite)

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty.² I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust."³ Surely he will save you from the fowler's snare and from the deadly pestilence.⁴ He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart.

Sincerely,

Brandon Cox
