FuturePorts' 2017 Annual Conference

STRONG PORTS= STRONG CALIFORNIA

Disruption: Changing the Game

Thursday, June 22, 2017

Hyatt Regency Long Beach

It's been a decade since the game-changing Clean Air Action Plan was implemented, with industry, labor, and environmental stewards working together to produce a greener goods movement industry. This year's Annual "Strong Ports=Strong California" Conference will focus on the trends in energy, port operations and efficiency that are disrupting historical business models and setting the course for a competitive future.
Join us and learn how these changes will affect your future!
