

5th Annual Ray Perrault Memorial Golf Tournament

Wednesday, May 9, 2018 | Fountain Valley

Mile Square Golf Course: *Classic Course*
10401 Warner Avenue, Fountain Valley, CA 92708
<http://www.milesquaregolfcourse.com>

Join your metalworking industry colleagues on Wednesday, May 9th, in Fountain Valley for the *Ray Perrault Memorial Golf Tournament*. The event is proudly co-hosted by the **California Foundry History Institute (CFHI)** and the **Precision Metalforming Association (PMA)—California Chapter**.

ABOUT CFHI: Established in 1997 by leaders of the California Metals Coalition (CMC), the California Foundry History Institute is a charitable organization dedicated to archiving photos, documents, castings, patterns, interviews and other important historical items pertaining to the metal casting history in California (<http://www.foundryhistory.org>).

ABOUT PMA CALIFORNIA: The California district of PMA serves metal forming companies in both Northern and Southern California. The Chapter provides technical, educational, networking, and training resources specific to the metal forming sector. (<http://www.pma.org/california>).

ABOUT RAY PERRAULT: Ray Perrault was President and CEO of Research Tool and Die Works in Carson, CA (<http://www.rtnd.com>). A holder of over a dozen patents, Ray was widely recognized for his ingenuity, tool design, and advancements in compact wireway arrangements used by the US Navy. He served on the board of PMA California and the California Metals Coalition (CMC), and was Vice President of CMC when he passed away in 2012. He was passionate about educating the next generation of metalworking leaders, as well as advocating for California's metal manufacturers.
