Pre-Registration Required: www.metalscoalition.com/uni-fab

Uni-Fab Mountain House: Uni-Fab is a privately-owned custom manufacturer of metal parts for the semi-conductor, medical, electronics, and biotech industry. The Mountain House location utilizes 85,000 sq ft. They also have a facility in Fremont.

Uni-Fab Process: Uni-Fab's manufacturing process begins with recycled sheet metal. The sheet metal is placed into a computer-programmed machine which cuts the sheet metal into shape(s) specified by the customer. Uni-Fab's equipment includes the latest technology of fiber optic laser cutting, CNC machining, and high-tech purity welding equipment.

Pre-Registration Required: This is a private event. No walk-ins. There is **no registration fee**, but pre-registration is required using the above link. Lunch and tour (*no open-toe shoes on tour*) will be offered.

Important: Uni-Fab reserves the right to refuse participation (ex: competitors) from any individual. For those who do attend, no unauthorized photos or video will be allowed. If you have any questions, please contact CMC 48 hours prior to the event at 916-933-3075.
