Zoom information and meeting materials will be forthcoming

To ensure we are practicing safe social distancing, the Public Consultation Meeting will only be conducted via video conferencing (Zoom) which can be accessed via your computer or smart phone. Alternatively, stakeholders can phone in to participate. We understand that this is not the same as a face to face Public Consultation Meeting; however, staff will take the time to listen to comments from all stakeholders, as your comments are important to Proposed Rule 1460. We appreciate your understanding during these uncertain times and look forward to your participation. If you have general questions or concerns about this meeting or its format, please contact Heather Farr at hfarr@aqmd.gov or (909) 396-3672.
