AB&I Foundry—Oakland, CA

Roundtable Sponsor: Bill Roberts of Pacific Diversified Insurance Agency

About CMC Roundtables: The California Metals Coalition (CMC) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. We meet regionally every quarter in a roundtable setting to exchange information on the most important issues currently impacting California's metals industry. The roundtable sessions are concise, direct and valuable to all attendees.

August 18th Roundtable Topics Include:

- Cal-OSHA Indoor Heat rulemaking for all metalworking facilities.
- Air District (SCAQMD and BAAQMD) enforcement, order for abatements, and new proposed metal rules.
- $1M-$2M PAGA lawsuits for labor issues related to wages, meal and lunch breaks, leave, and more.
- Storm water lawsuits, permit requirements, and an updated city permit that will impact metal companies.
- Trying to extend California's Equipment Sales and Use Tax exemption for all manufacturing.
- September 15 is the last day of Sacramento's legislative session. How will it impact you?

SPECIAL GUEST: Joining us for the final hour of the meeting is **Contra Costa County Supervisor, CARB Board Member, and BAAQMD Board Member John Gioia** (*at left*). John was first elected as Supervisor in 1998, was appointed to the California Air Resources Board (CARB) by Governor Brown in 2013, and is a Bay Area Regional Government leader. Supervisor Gioia is the Chair of the BAAQMD Stationary Source Committee.
