About CMC Roundtables: The [California Metals Coalition \(CMC\)](#) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. August 8th Roundtable Topics Include:

- SB 205: Requiring a storm water permits in order to receive a business license renewal.
- AB 617: Understanding the air pollution community monitors coming to the Bay Area.
- Anticipated statewide ballot measure to potentially raise taxes on commercial properties.
- Expected new Cal-OSHA proposal for indoor heat regulations.
- September 13 is the final day to pass a bill to the Governor—learn what might reach his desk in 2019.
