SOUTHERN CALIFORNIA

CMC Quarterly Regional Roundtable Meeting

Friday, October 2, 2026 | 10:00am-1:00pm

@ Aircraft X-Ray, Huntington Park, CA

(Lunch Included)

Roundtable Sponsor: Champion Risk & Insurance Services

About CMC Roundtables: Established in 1972, the California Metals Coalition (CMC) is the nation's largest statewide trade association serving the metals industry. CMC has hundreds of members representing nearly all sectors of California's metal manufacturing. CMC meets regionally every quarter to exchange information on the most important issues currently impacting California's metal businesses.

October 2nd Roundtable Topics Include:

- Status of CARB Zero Emission Forklift Regulation/Phase Out
- Enforcement of Cal-OSHA Indoor Heat Regulation
- Impact of PAGA Reform Legislation for Labor Laws and Benefits of Arbitration Agreements
- SCAQMD: Proposed New Rules for Forging, Heat Treating, Laser and Plasma Cutting, and Welding
- SCAQMD: Proposed fence line testing law for metal facilities—who is impacted and who is next
- CMMC Phase II Status Following July 2026 Suspension (Phase II cybersecurity)
- Review of California 2026 Legislative Session—ends September 30th
- Forecast of November 3rd Election and Ballot Initiatives
- ***NEW Lunch Speaker***: Assembly candidate Ayanna Davis (65th District: Compton, Carson, Wilmington, and others).

HOST & TOUR: In 1938, **Aircraft X-Ray** founder George Newton had a vision to x-ray castings before the machining process. This was revolutionary, and vital to the U.S. during WWII. Today, the company remains a leader in digital x-ray service, chemical processing, magnetic inspection, computed radiography and painting. Roundtable attendees will see a mix of history and current day technology at the tour of CMC-member Aircraft X-Ray. Sign up today and we will see you on **October 2nd** in Huntington Park!

ROUNDTABLE REGISTRATION FORM
