

SAN DIEGO AREA QUARTERLY REGIONAL ROUNDTABLE

Thursday, July 18, 2019 | 10am-1:00pm
Oceanside, CA | Host: Alta Environmental

Roundtable Sponsor: *Keramida Inc.* (www.keramida.com)

About CMC Roundtables: The [California Metals Coalition \(CMC\)](#) is a statewide trade association with members representing nearly all sectors of California’s metalworking industry. We meet regionally every quarter in a roundtable setting to exchange information on the most important issues currently impacting California’s metals industry. The roundtable sessions are concise, direct and valuable to all attendees.

July 18th Roundtable Topics Include:

- SB 205: Requiring a storm water permits in order to receive a business license renewal.
- Storm water lawsuits and the new TMDL regulations being pursued for facilities near impaired watersheds.
- AB 617: Air pollution community monitors coming to San Diego County.
 - Anticipated ballot measure to raise taxes on commercial properties.
 - Expected new Cal-OSHA proposal for indoor heat regulations.
 - Update on SB 1234—mandatory state-run retirement program.
 - Update on labor laws currently impacting the metals sector in California.
 - September 13 is the final day to pass a bill to the Governor. Learn what might reach his desk and how we can impact the process.
