**About CMC Roundtables:** The [California Metals Coalition \(CMC\)](#) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. We meet regionally every quarter in a roundtable setting to exchange information on the most important issues currently impacting California's metals industry. The roundtable sessions are concise, direct and valuable to all attendees.

## July 19th Roundtable Topics Include:

- SCAQMD Rulemaking: 1407 and 1407.1 for metal melting facilities.
- SCAQMD Rulemaking: 1435 for heat treaters—and UC Riverside Heat Treat Study.
- Update on SB 1234—Mandatory state-run retirement program
- Nearing the end of the 2019 legislative session in Sacramento—insight and strategies.
