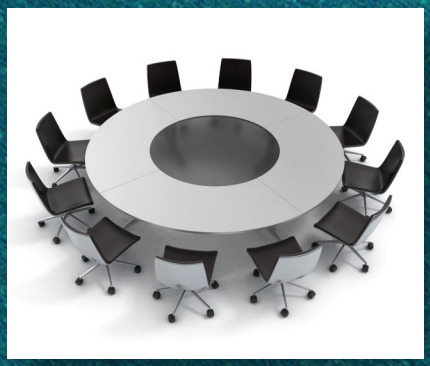
About CMC Roundtables: The California Metals Coalition (CMC) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. We meet regionally every quarter in a roundtable setting to exchange information on the most important issues currently impacting California's metals industry. The roundtable sessions are concise, direct and valuable to all attendees.



October 28th Meeting Schedule (In-Person and Virtual):

- 10am: Roundtable begins for in-person attendees.
- 10:30am-12pm: Zoom opens for all attendees.
- 12pm-1pm: Lunch & open discussion with in-person attendees.

Topics: The roundtable agenda is fluid and will cover the most current issues. But CMC expects to at least cover:

- Latest Employee/Employer COVID-19 Requirements
- Cal-OSHA and Fed-OSHA Workplace Rules for COVID-19
- Local Air District Rules Impacting All Metal Sectors
- Community Impact on Industrial Facilities (ex: AB 617)
