

NORTHERN CALIFORNIA QUARTERLY REGIONAL ROUNDTABLE

Thursday, October 6, 2022

10:00am-11:00am @ [Zoom](#)

Roundtable Sponsor: [Champion Risk & Insurance Services](#)

About CMC Roundtables: The [California Metals Coalition \(CMC\)](#) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. CMC meets regionally every quarter to exchange information on the most important issues currently impacting California's metal businesses.

October 6th Roundtable Topics Include:

- Labor law changes and lawsuits hitting metal facilities.
- Changes and Rulemaking at Bay Area Air Pollution Control District
- Storm Water Permit Lawsuits and Requirements for All Metal Facilities
- Update on CMC's Hexavalent Chromium (Cr6) health risk research project for all metal facilities.
- Additional options under CMC's Health Insurance Trust program.
- New CARB statewide proposal to eliminate nearly all forklifts by 2026.
- Review of the 2022 state Legislative session...and preparing for the November election.

SPECIAL GUEST: Over \$1B is spent each year on labor lawsuits. CMC's **October 6th** Roundtable will focus on the top labor law issues that can put your metal business at risk. This includes, hiring, firing, controlling absenteeism, breaks, paid/unpaid leave, PAGA, drug free workplace, and much more. The guest speaker will be labor attorney **Joseph A. Goldstein of The Goldstein Law Firm**. Joseph works with numerous metalworking facilities across the state and is a graduate of the George Washington School of Law.
