Wednesday, September 18, 2024 | 10:00am-1:00pm

@ General Foundry, San Leandro, CA

(Lunch and Tour Included)

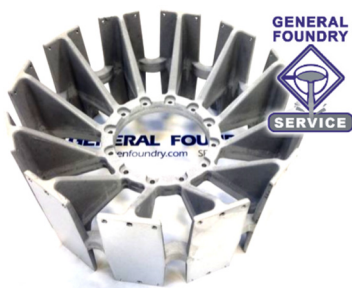

Roundtable Sponsor: [Champion Risk & Insurance Services](#)

About CMC Roundtables: Established in 1972, the [California Metals Coalition \(CMC\)](#) is the nation’s largest statewide trade association serving the metals industry. CMC has hundreds of members representing nearly all sectors of California’s metal manufacturing. CMC meets regionally every quarter to exchange information on the most important issues currently impacting California’s metal businesses.

September 18th Roundtable Topics Include:

- BAAQMD White Paper and Anticipated Rulemaking for Metal Recycling and Shredding
- Enforcement of New Cal-OSHA Indoor Heat Regulation
- Preparing for New Zero Emission Forklift Regulation and Phase Out of Current Equipment
- Impact of PAGA Reform Legislation for Labor Laws
- Review of Key State Ballot Measures for November 5th Election
- SCAQMD: Proposed New Rules for Forging, Heat Treating, Laser and Plasma Cutting, and Welding
- Anticipated UC Davis Study on Welding and Welding Emissions—and Future Rulemaking
- Tour of CMC-Member General Foundry Service Corporation

HOST & TOUR: General Foundry Service Corporation has operated for **over 70 years in California** delivering a turnkey solution for prototype, low and intermediate volume finished **aluminum and zinc aluminum castings**.
