

SOUTHERN CALIFORNIA

CMC Quarterly Regional Roundtable Meeting

Wednesday, September 27, 2023 | 9:30am-1:00pm
@ UC Irvine, Calit2 Auditorium, Building #325
(plus a tour of ACRC Metals Research Facility)

Roundtable Sponsor: [Champion Risk & Insurance Services](#)

About CMC Roundtables: Established in 1972, the [California Metals Coalition \(CMC\)](#) is a statewide trade association with hundreds of members representing nearly all sectors of California's metalworking industry. CMC meets regionally every quarter to exchange information on the most important issues currently impacting California's metal businesses.

September 27th Roundtable Topics Include:

- Current and potential new sales tax exemptions on equipment.
- Current and upcoming labor laws impacting metal businesses.
- Potential funding assistance for transition to zero emission trucks and forklifts.
- Cal-OSHA new proposed rule for indoor heat.
- SCAQMD 1445: Proposed new rule for laser and plasma cutting machines.
- SCAQMD 1435: Proposed new rule for forging and heat treating facilities.
- SCAQMD 1455: Proposed new rule for torch cutting and welding.

SPECIAL TOUR: UC Irvine's Advanced Casting Research Center (ACRC) is the largest industry university consortia in North America dedicated to collaborative research in metal processing and digital manufacturing. Attendees will tour the multi-million facility, learn about its capabilities, and hear from Dr. Diran Apelian, ACRC's founding director and Distinguished Professor in the UCI Department of Materials Science and Engineering. Learn more at: www.acrc.manufacturing.uci.edu.
