Roundtable Co-Sponsor: [Russ Gunn Insurance/Empire](#)

About CMC Roundtables: The [California Metals Coalition \(CMC\)](#) is a statewide trade association with members representing nearly all sectors of California's metalworking industry. CMC meets regionally every quarter to exchange information on the most important issues currently impacting California's metal businesses.

April 28th Roundtable Topics Include:

- New CARB statewide proposal to eliminate most forklifts by 2026.
- SCAQMD Rulemaking: 1147.2 (NOx) for all metal facilities.
- SCAQMD Rulemaking: 1460 (scrap recyclers and shredders); 1435 (heat treaters and forgers).
- COVID-19 Discussion: Cal-OSHA requirements, paid sick leave.....new mandates?
- PAGA labor law changes and lawsuits hitting metal facilities.
- Update on the 2022 state Legislative session....and more

SPECIAL TOUR: The Advanced Casting Research Center is the largest industry-university consortia in North America dedicated to collaborative research in metal processing and manufacturing. Attendees will receive a tour of the new multi-million dollar facility and learn about its capabilities. Learn more at: www.acrc.manufacturing.uci.edu.
