Why are you interested in becoming a member of the AB 617 steering committee in the selected community?

How would you support outreach to ensure all voices in the community are heard?

### Goals of the AB 617 Community Steering Committee

The purpose of the community steering committee is to support active community involvement and collaboration in the AB 617 implementation process by providing a forum for identifying air pollution issues in the community and potential solutions. Committee members will be responsible for discussing a variety of topics including but not limited to:

- Provide input to define community boundaries;
- Community concerns about emission sources to develop a shared understanding of the community's air pollution challenge;
- Proposed strategies for the community air monitoring and emissions reduction programs;
- Approaches for additional community outreach; and
- Metrics to track progress.
